20th February, 2012.

Week 4 ~ Term 1

CHANGES TO SCHOOL FINISHING TIMES

This year the school day will be finishing at 3.05pm due to changes in the bus timetable. Parents that pick up their children please make note of this change.

STUDENT INFORMATION FORMS

Thank you to all the parents who have diligently returned the paperwork sent out in the last 2 Bulletin's. We are still waiting for the return of paperwork for some students. If you have misplaced any of the forms please ask at the front office for replacements.

Thank you.

Whole School Phone Book

The Whole School Phone Book for 2012 is inserted into your Bulletin today. Enjoy the wonderful drawing by Bohdan Clark from Class Six on the cover.

RECEIVE BULLETIN VIA EMAIL

To try to reduce the use of resources, reduce waste and have less impact on the environment we would encourage families to receive the Bulletin via email where possible. Please email the front office at info@mumbullaschool.com.au to let us know you no longer need a hard copy and want to be added to the email list.

Thank you.

Year of Reading Launch

Indigoe Flavell along with other children from Class Six read to many children last Tuesday in the Library for *The Year of Reading* launch.

The children chose to read their favourite story books to their younger audiences (and some lucky grown up's)!!

See page 10 for more photo's of Class Six children reading in the the new library.

COMMUNICATION CORNER

On the following page you will see a copy of the updated school Dress Code, which is found in the School Handbook. The College of Teachers decided to have a look at the Dress Code, following requests by some of the parents of older children for more clarity in this area. The aim was to simplify what is expected and to be a bit more specific in terms of the dress requirements for children while at school. Teachers hope that this will be helpful when working out what is suitable for children to wear to school. Feedback is always welcome.

On Friday 23rd March the official opening of our new school buildings will be held. This will involve a visit by the Federal member, Mike Kelly who will provide a plaque to acknowledge the government's contribution to this project. This could be a great opportunity for us to put up our own plaque with the name of our new hall. If any member of the school community would be interested in creating a simple plaque (preferably wood, carved or otherwise) saying, SUSAN HARIS HALL 2012, please could you let me or the front office know so we can discuss the design.

Meanwhile I hope all families are settling in well to the school year. If you have any concerns please speak to your class teacher or feel free to contact me.

Averil Fink

Grievance Manager

EXTRA LESSON

Hello, I am Skye and I am the "Extra Lesson" person at school. So what is Extra Lesson ?

Well, my training in this area is in observing and supporting children in their sensory development. This is to do with how well we "fit" into our physical body, using our sense of balance, our fine and gross motor skills, our spatial awareness of ourselves and others and our ability to coordinate our movement activities.

Some of us have to give a lot of attention to some of these areas; which means that we may not appear to listen very well to lots of instructions, or we may appear to be clumsy, or we may need lots of movement activities to help figure out where we are in space.

Through movement, we integrate into our bodies, building connections between both sides of the body and brain. This helps develop our sense of balance, spatial awareness and coordination skills, as well as the ability to process aural instructions.

This year I will be providing weekly movement sessions for classes 1, 2 & 3, supporting the children to develop these skills which are essential for helping us take in information in the classroom and in our interactions with others. It's all about "switching on" the brain for learning.

I am also available during school time for individual assessments and to structure a home programme. This requires the commitment of parents for a full year for best results.

You will find me at school on Wednesdays or please leave a message with front office.

With thanks,

2 Skye Etherington

DRESS CODE

Although we do not have a school uniform, the school does have dress requirements:

- Plain brightly-coloured T-shirt or shirt (not black) and preferably made of natural fibres.
- T-shirts to be full length (not midriff), and sleeved (not singlet).
- Warm layers for Winter.
- Shorts or skirts or dresses - mid-thigh in length or longer
- All items of clothing should provide good coverage (both for sun protection and appropriateness of school clothing).
- Avoid inappropriate images and large logos
- Sturdy footwear that enables your child to run and that can be put on and off quickly and easily.
- A broad-brimmed hat.
- All garments and hats to be named.

The children need to be able to move comfortably between indoors and out. Broad-brimmed sunhats are to be with them every day and appropriate clothing for wet or cold weather is needed. As we do not wear shoes inside, all footwear should be appropriate to your child's ability to take them on and off during the day. For instance, if your child cannot do up shoelaces at this time, a slip-on shoe would be more appropriate. Kinder children also require slippers to wear in the classroom. Slippers with a waterproof sole are preferred. Please pack spare clothes for your younger children.

Jewellery should be discreet and should not impede work or play. Avoid excessive numbers of bracelets, big, dangly earrings, dangling belts, etc.

A note will be sent home with the child if it is felt that unsuitable clothing or jewellery is being worn.

Our aim is for children to arrive at school dressed in sensible school clothes ready for work and play, able to participate in all activities in comfort and safety, without parents needing to pay a fortune for clothes.

100% cotton T-shirts in a range of colours are available from the fundraising shop in the front office.

MANY THANK YOU'S

There are lots of people to thank for so many things all the time. The help of all volunteers is greatly appreciated. Steve Ryan volunteered to paint the new staff room (old Cl. 6 room) and the new numeracy room (old library) with the help of Honor Northam. Thank you so much Steve and Honor for doing this job.

Thank you also to Robyn, Jani, Julia and Chani who worked with Rosie to organise the kitchen equipment around the school, this included the fundraising equipment in the shed, the office kitchen and the new kitchen.

Thank you also to Deb Summer and Catherine for helping fold the weekly Bulletin. Thank you to Danielle, Deena & Lynda who have helped in the office at times when it has been very busy. We would also like to express appreciation to all the people who have taken on washing, caring for grounds and gardens and helping the teachers.

HEALTH UPDATE

For your information there is a confirmed case of chickenpox within the school. Please look out for symptoms in your children. The following is information regarding chickenpox:

Chickenpox is a relatively mild illness and can begin with a sudden onset of slight fever, runny nose, feeling generally unwell and a skin rash. The rash that appears usually begins as small lumps that turn into blisters and then scabs. The rash appears over three to four days. At any one time, the lesions of the rash vary in stages of development. Symptoms usually occur two weeks after exposure to the virus.

How it spreads: People are infectious from one or two days before the rash appears (that is, during the runny nose phase) and up to five days after (when the blisters have formed crusts or scabs). Early in the illness, the virus is spread by coughing. Later in the illness, the virus is spread by direct contact with the fluid in the blisters.

Returning to School - If you suspect your child has chickenpox please keep them home from school until at least 5 days after the onset of the rash and when all the blisters have dried.

Kindergarten

We continue with our *Down by the Deep Blue Sea* Morning Circle.....

If you peep inside a seashell there's a cosy little home

With room for a little fish who likes to live alone.

Close the door, little fish, and hold on very tight

The waves will rock you though the day and night.

If you peep inside a seashell on a bright and sunny day

Little fish is not at home, little fish has swam away.

Tell me pretty seashell, where little fish can be?

He's swimming, seeking far away, in the deep blue sea.

Our two assistants, Monica Gollich and Alli Faulkner, who have been helping in the Kinder in the mornings these first busy weeks, are both qualified teachers. During this time they may also step into the teacher role in order to familiarise the children with having them as their teacher. We have found that this helps the children be more comfortable with them when they actually need to step in as relief teachers if Annabelle or Chrisanthi have to be away.

At this early stage some new children may be hesitant to tell us if they have a little problem such as an accident or wetting their pants (things can be so new and busy that its easy to miss going to the toilet on time). Last week we explained to the children that while they're at Kindergarten the teachers are a bit like their 'mummy or grandma' so they can come to us if they need help with anything or even just need a bit of a cuddle. Being comfortable to communicate with the teacher will develop over time but at this stage parents could gently remind their child that Chrisanthi, Alli, Monica and Annabelle can help them with anything they need.

Looking forward to another week,
Chrisanthi, Annabelle, Monica and Alli.

Class One

Hello everyone,

This week we continue our *Numbers* Main Lesson, focusing in particular on the correct formation of the written numerals. A large part of this learning involves getting used to writing with pencils and using the correct pencil grip. At our meeting this afternoon I will show everyone how we do it so that the children can practice holding their pencils correctly at home. Perhaps your child could show you how they write some numerals (1 to 5) this week?

We are also working a lot with left (moon) and right (sun) hands and as this a tricky concept it would be great if you could be aware of this at home ie. asking your child to put things on the right /left side, to their right/left, use right/left leg/hand. One of our verses for this is:

The moon on one hand

The sun on the other

The moon is my sister

The sun is my brother

The moon on my left

The sun on my right

My brother good morning

My sister goodnight.

Thank you to everyone who was able to assist with our swimming program last week. Swimming is on again this Wednesday, but not the week following due to the pool being fully booked by another school. It is very important that the children remember to bring a rash shirt or spare tshirt to wear in the pool as for sun safety reasons they will be unable to swim without one.

Did your child tell you about their Class Five ‘buddy’? The children had a wonderful time on Friday eating lunch together and playing during outside play. It was so nice to know there were older children in the playground looking out for Class One.

See you all at the meeting this afternoon – and if not I will send home the handouts with your child so you don’t miss out on anything.

Have a lovely week,

Patricia xx

Please read the Extra Lesson note on page 2 from Skye.

Class Two

So onto another no doubt busy week of learning, playing, swimming, singing, making and celebrating. (Scarlett’s 8th birthday tomorrow and Wesley’s next Tuesday). Wednesday will see us say farewell to the *Aboriginal Dreaming* stories until we meet them again in Class 3 as part of *Creation* stories and Class 4 in Australian history.

Moving into Numeracy we awaken the children to patterns in number. Timetables will be introduced pictorially as part of beautiful circular geometric patterns. The beginning of place value and the mathematical terms tens and units will also be introduced with the help of our little friend *Tiko* and his cousin *Tomten*. So for the next three weeks we will be counting by different combinations forwards and backwards, discovering strategies that help with our

processes and immersing ourselves in colour and form; a wonderfully centering Main Lesson.

Over the years, teachers have asked parents to please keep social sleep-overs to the weekend. The reasons for this is managing over-excitement the day of the sleep-over and tiredness the day after. Children need strong rhythms and although bed times may be similar undoubtedly the children chatter later and wake up earlier. The result is learning and social interactions are not as effective or harmonious as they could be, so we do ask you to please consider this request and keep major socials for the weekend.

Class meeting this week (Thursday at 3:30pm). If you still need child care please let us know today as the carer needs to be booked. It is always lovely to share an afternoon tea so if you can manage a small plate, all offerings would be appreciated.

Georgie has asked for any spare cloth bags for book borrowing. Children can have their own library bag or use from the pile, however the pile dwindles very quickly. So if you have a few spare cloth bags please bring them in so our beautiful books can be safely transported to and from school.

Finally swimming this Wednesday but not the following one due to a swimming carnival.

Have a great week

Lee, Louise and Jenny

Please read the Extra Lesson note on page 2 from Skye.

Class Three

Dear Parents,

Weather permitting we will have got wet today. Our recreational swimming programme should be under way.

Thank you to all the parents that have donned their togs and eased themselves into the pool. We will be running the programme for as long as the weather is warm enough but of course will not be swimming in the pool during the last week of term because we are away at Bournda camping. It is never too early to start getting those tents out of moth balls and checking your favourite recipes for 'pasta sauce for millions'. This camp will soon be upon us. The last day of camp is also the last day of Term 1. In the past some families have chosen to stay on at Bournda for a couple of extra days camping into the holiday period. If this sounds like you it might be worth booking your tent site as it would be horrible to find yourself evicted just when you had got used to being a happy camper.

As most of you know by now I am taking Long Service Leave during the first half of Term 2. Philip and I are doing a geriatric version of the *Camino Portugese* – the Pilgrim's route to Santiago De Compostelo - cycling north from Lisbon. I'll send you a postcard! Jane Gordon has kindly agreed to take the Class while I am away and she will soon start dropping in occasionally to reacquaint herself with us all and how we do things at Mumbulla.

We are starting a new Main Lesson this week. It is called *Lady Greensleeves* and we will be revising *Place Value*, working with hundreds, tens and ones, investigating number patterns, collecting, representing and interpreting data and investigating position. During our JAM sessions each

morning we will be working on doubling ones and tens and on doubling multiples of 5 and near multiples of 5.

Most children in Class 3 will by now have started bringing readers home again. They will also be bringing a bookmark with hints about what to concentrate on in their reading sessions with you. Reagan our literacy support teacher has set this up for us. Thank you Reagan. And Suzanne will be checking readers every morning. Do you still have your child's plastic reading folder at home? This would be best kept in your child's bag so we can access it too. Happy reading.

I emailed you my Class 3 Meeting notes on Saturday. Only if you are interested, if not hit the delete button. Please contact me with any questions or let me know if you would rather have a hard copy.

Just to let you know that we do not need anymore corn, thank you to all the families that have helped out with this. Class 3 will be playing Kanga Cricket with Ben (Jamilla's Dad) before school on Monday mornings. There is an opportunity for the children to also play in the mornings on Tuesday and Thursday if there is any parents who can help out with this please let me know.

Have a good week.
Rachel x

Work by Esme Cook

Please read the Extra Lesson note on page 2 from *Skye*.

Class Four

Dear Class Four parents,

Today we begin the *Animals and Us* Main Lesson which has a Science and English cross-curricula focus. In it we will be investigating and describing the animal kingdom by looking in detail at the form and nature of particular animals from the different classifications of mammal, reptile etc. Skills targeted will include spelling and punctuation through dictation and poetry. Lots of drawing and modelling is involved and it is often a favourite Main Lesson of Class Four children.

Free-hand Geometry Main Lesson books will come home this week to enable the children to share with you and also allow the opportunity for finishing off. The back of these books will serve as our *Form Drawing* book for the year so please return them within a week or so.

As we are no longer doing a *Maths* Main Lesson we will no longer have Claire in the room with us at Main Lesson time (off she goes to Rachel's room for their Maths Main Lesson), but we

will still benefit from her company and support in our maths practice and revision sessions through out the week.

Anyway, I will be seeing most of you this Thursday at 5pm for our whole class meeting so I'm sure we'll cover a lot more face to face. Please send your apologies in to the office if no representative from your family is able to attend and similarly advise us of childcare needs asap.

Thanks.

See you Thursday,

Monique.

Please read the Extra Lesson note on page 2 from Skye.

Class Five

Have the children told you about the beautiful *rangoli's* that they have been creating as part of our Indian experience? Last week the children were inspired by images of *rangoli's* to create their very own designs on paper. I was truly impressed by the intricacy and originality of their patterns, so much so that I decided that we should take it a step further and do a life size one as a whole class in the courtyard. The children worked in small groups at a time, adding onto the previous group's work using brightly coloured chalk. The result was stunning! It is still there, so if you have a chance you must come and have a look (see photo page 9).

Our instrument program has started on a positive note. The children have been wonderfully enthusiastic with the instrument they are playing, whether they have continued playing strings or begun a new instrument. I have had a lot of positive feedback from all the tutors on how eager Class 5 are, which is always lovely to hear.

I have set the date for our Class Five meeting on Thursday March 8 at 4.30pm. If you will be needing childcare for this meeting please write your families names on the childcare list the Class 5 door. The following is information for parents about Child care for Class meetings:

- This is a service P&F are facilitating to allow parents to attend Class meetings who could not otherwise do so. If other arrangements can be made, we encourage you to do so.
- All children need to be booked in at least 3 days before the meeting. This will allow P&F to find available Carers appropriate to the number and varying ages of the children.
- All children must be taken to the Kindergarten garden and be signed in and signed out by the parent. Money is to be paid at the time. The cost is \$2 per child or \$5 per family for 3 or more children.
- All children need to have been fed or come with afternoon tea (fruit or healthy food), their own water bottle, hat and warm clothes as the evenings are cooling.
- We ask parents to inform their children of the expectation for respectful and helpful behaviour at all times towards the carer, the other children and the Kindergarten environment.

As you will appreciate this is a difficult job for the Carers, given the variation of ages and needs of the children. We ask that you do all you can to make this job as easy as possible for our Carers.

Next week we will be having our Indian Feast on THURSDAY 1ST MARCH at 10.50am. All

parents are most welcome to join the feast. We will need some parents to help set up and warm the dishes that have been prepared in the new kitchen. There is also plenty of fridge space in the new kitchen. This week I will be checking with the children to see what dishes they will be making for the Feast to ensure that we have a balance of mains, entrees and desserts.

Namaste, Isaac.

RANGOLI BY CLASS 5

Class Six

Dear Families,

Short and sweet this week. With the Bulletin you will receive a camp information pack which includes the permission note and a behaviour agreement which both have to be filled in and returned.

The children will have weekly Maths homework from their *Origo* text book each Monday night and they must bring their books back into school on Wednesdays for their next Maths Lesson.

Strings lessons are on Thursday, orchestra on Friday and Band and band lessons are both on Friday.

The Year of Reading Launch was a great success, so wonderful to see Class Six being the big children, they did it really well. We raised over ninety dollars which will go towards our camp. See you at the class meeting tomorrow afternoon at 3.30pm in the new classroom.

One last little note is to let you know that we have one confirmed case of chickenpox in Class 6. Please keep look for symptoms in your child especially with the class camp coming up. Love Karin

Ps See page 10 for photo's of Class 6 children reading at the The Year of Reading Launch last week..... 9

Year of Reading Launch

Thank you to all children and parents who came along to have a story read to them last Tuesday. We had some happy, hoarse Class Six children at the end of the day and raised over ninety dollars which will go towards our city camp in week seven.

Karin

From top left: Esther Black, Taitum Lowe, Alex Cesnik & AJ Bilby reading their favourite stories at the Year of Reading Launch last week.

Playgroup

What a wonderful community we have! We asked for a rocking horse and the response was beautiful. Our little friends now have a moose, donkey and a rocking horse. THANK you to Alisha and Finn, Joss and Brooke. We also need to send a thank you to all those families who washed, watered, oiled, gardened and ran around for us. To Deb Cesnik who always welcomes our dolls to her beauty spa. The dolls do come back all rosy cheeked and rested.

Please remember spare clothes as sand and water are a well loved part of outside play.

Love Eve & Danya and Valentino (the moose so named by Jo for his arrival on Valentine's day).

P & F News

The next P&F meeting is on this coming:

**Wednesday 22nd March
9.30—11am
Duck Inn**

Come and join us as we work out our plans for 2012.

Jani Klotz
for the P&F

COBARGO FOLK FESTIVAL CAFE - This Friday

Want to be a part of the Mumbulla Café Fundraiser at Cobargo Folk Festival??

FREE TICKET to a fabulous festival for just 6 hours in the Café.

Sign up on the volunteers list on the board outside the front office. If you are doing 6 hours please send me a email letting me know this as well, so I can add your name to the list!!!

10 Free Tickets Only...

Contact Deb Smith on bodyandbeyond@bigpond.com or call on 0417495693 for more details..

Other ways you can help:

- Setting up and cleaning up the cafe
- We still **DESPEARATELY NEED** lots of yummy goodies:
 - Sweet Treats: Cakes, slices, muffins, bikkies
 - Savouries: Muffins, frittatas, falafals, Dips: hommus, baba gonoush, eggs, vegetables (herbs, carrots, beets, lettuce) for salad wraps, relish, chilli jam, fruit...

Please send me a email on the above address to let me know what you can bring, and list the ingredients you use.

Sweets and savouries to be dropped of to the office on Friday morning or afternoon, if you are not at the school dropping of to the café at the festival is also great.

We also need toasters and toaster presses to borrow for the weekend if anyone has any spare please email me.

A BIG THANKS in advance for your help!!!!

Cheers
Deb

School Information

Bulb ordering

Each year the P&F order beautiful flowering Bulbs as a Fundraising event. This is one of the easiest money raisers the P&F does. You will find a catalogue/order form in this week's Bulletin. Families choose bulbs from the catalogue and encourage friends and families to buy bulbs also. Bring the completed forms with the correct money to the office and P&F will do the rest. Your bulbs will be delivered to school in time for autumn planting.

The deadline for the bulb orders Friday April 20, please bring orders and correct money to the front office.

Thanks P&F

GOING TO CANBERRA ANYONE?

Mumbulla School is looking for someone to collect a wool order from Canberra in the next week. If you are travelling to Canberra and have room in your car for 2 sacks of wool please contact the front office on 6492 3476.

FREE DENTAL TREATMENT

The School Dental Service operates in the Bega Valley from the Pambula Community Health Centre. Appointments are available for all children from Preschoolers to 17 years of age.

You can access the service by ringing 1800 450 046 with your Medicare Card ready.

The service is orientated to prevent decay by providing early intervention with high priority going to preschoolers. Usually fissure seals and fluoride treatment feature in a child's treatment plan, reducing the chances of tooth decay.

Children in pain are also treated as a high priority with emergency appointments put aside.

Government Teen Dental Plan vouchers are accepted here, encouraging youth to maintain their dental health.

FOR ALL DENTAL APPOINTMENTS & ENQUIRIES

PLEASE TELEPHONE THE ORAL HEALTH INTAKE SERVICE

FAR SOUTH COAST REP SOCCOR TRIALS will be held for interested players wanting to try out for the Far South Coast Rep Soccer teams.

These will take place at Berrambool Sports Complex on Monday 5th March from 5pm for under 12 boys and Tuesday 6th March from 5pm for under 12 and under 14 girls.

Other age group trial will be advised at a later date.

All interested players need to attend to be considered.

Any further information can be obtained from Mick Sawers 64963671

BEGA GIRL GUIDES

Bega Girl Guides have resumed for the year with an "action packed program". This is for girls aged 7 years+ and they meet Tuesday nights from 6.30pm till 8.00pm. Anyone wanting to know more about this community group should contact Anne after 5.30pm on 64921302

Thanks,

Anne Moore
